DESCRIPTION

This proposal includes definitions for "protective oversight" and "voluntary leave" in the Omnibus Nursing Home Act.

Protective oversight is defined as a twenty-four hour awareness of the location of a resident and the ability to intervene and supervise the nutrition, medication, and care of the resident.

Voluntary leave is defined as an off-premise leave initiated by a competent resident or the legal guardian of an incompetent resident

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
